Every year leading up to Christmas CARE runs the Toys for Joy scheme and as always we need your help! We are asking you to partner with us to help put a smile on a local child's face.

Throughout the year CARE works with and supports very vulnerable and disadvantaged families. As we all begin making our preparations for Christmas there are many parents across North East Lincolnshire who find this time of year the most distressing due to their financial situations. What should be a time of joy and peace, often ends up the opposite for these families.

Our support workers and other local professionals can bring parents they know who are in genuine need to choose a selection of gifts per child. Over the last 5 years we have given nearly 2,300 gifts out to children in need in the local area.

Thank you for your support and kindness to this very worthy cause.
