

Humberside Youth Association

Grant Fund

Round 5 Open

Closing Date: Thursday 31st May 2018 (12pm noon)

Are you a young person (18 – 24 year old)?

Does your group work with or support young people (13 – 24 year olds)?

**Do you have an activity that could develop young peoples’
physical, mental or spiritual capacities?**

We are seeking applications from individuals, groups or organisations that promote activity for the benefit of young people living in North East Lincolnshire. Activity that in particular helps educate them through leisure time activities (but not exclusively so) to develop their physical, mental and spiritual capacities so that they may grow as mature individuals

Successful Round 4 Applicants received part of or all the funding they requested to support things such as: the development and training of a young reporters group; a BoxFit programme for 11 years and upwards to get them physically active in a safe and secure environment whilst encouraging them to learn discipline and communication skills; costs towards the running a young peoples’ volunteer conference; and providing holiday activity days and workshops to socially include and help to maintain positive mental health in young people.

Whilst all applications will be considered the Humberside Youth Association are particularly keen to fund innovative, non-traditional activities that engage those young people that don’t normally get involved with traditional youth groups and sports clubs.

As stated all applications are welcomed, but as there is always strong competition for limited funds those applicants that can show longer term impact rather than short term benefit are more likely to be successful.
